

Packaging Supply Chain

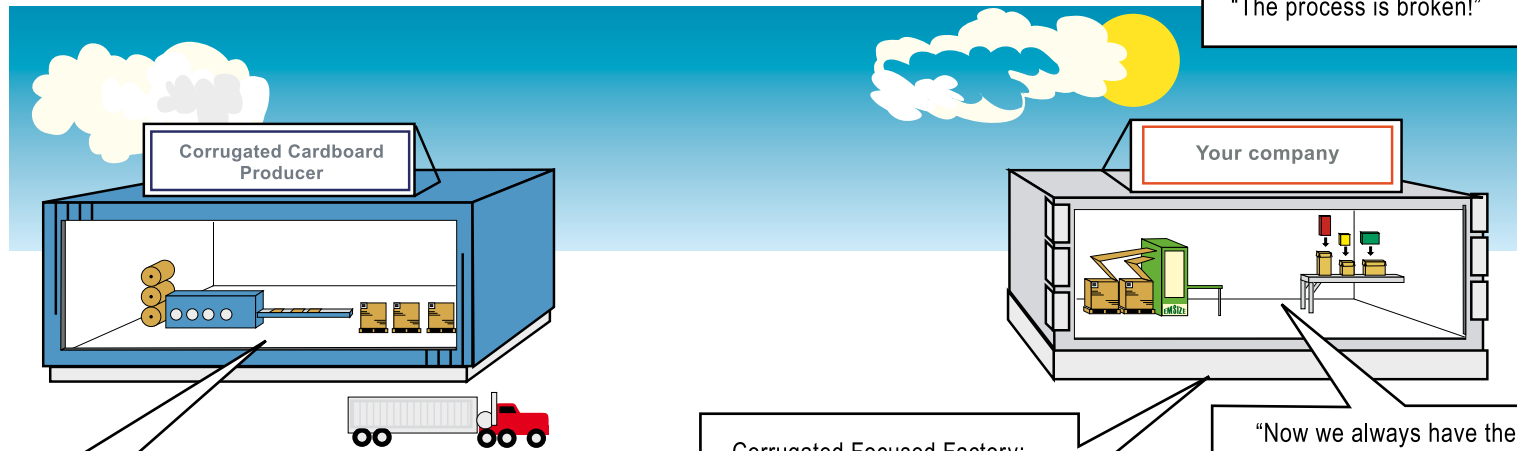

Traditional Packaging Supply Chain

"I can't find the right box!"
 "We have too much inventory!"
 "This forecast isn't accurate!"
 "The customer changed the specs again!"
 "Half these boxes are obsolete!"
 "We're too dependent on MRP!"
 "The process is broken!"

Lean Packaging Supply Chain

"These orders are driving maximum efficiency!"

Corrugated Focused Factory:
The right sized package on demand.

"Now we always have the right box!"
 "We have no unallocated inventory!"
 "No more forecasting or MRP!"
 "Spec change? No problem!"
 "We're saving big \$\$\$\$!"
 "This process is awesome!"
